RELEVANT EXPERIENCE

Undergraduate Research Assistant, September 2018 – February 2020

Department of Geological Sciences, The University of Alabama - Tuscaloosa, AL

Supervisor: Dr. Julia Cartwright

- Established knowledge of meteorites and asteroids
- Earned funding from the Department of Geological Sciences for project
- Trained on saw, polisher, and sample maintenance regarding Fourier Transform Infrared Spectroscopy

Lab Assistant, May 2018 – November 2018

Department of Geological Sciences, The University of Alabama - Tuscaloosa, AL

Supervisor: Dr. Rona Donahoe

- Recorded data from experimental procedures
- Learned lab technique regarding acid bathes, clay floats, and glass disks
- Entrusted with irreplaceable sample and completed analysis without exhausting supply

WORK EXPERIENCE

Lab Monitor, August 2017 – May 2021

Mathematics Technology Learning Center, The University of Alabama - Tuscaloosa, AL

- Ensured testing integrity for exams
- Provided customer services for front desk
- Monitored lab and computer usage
